History

Edward R. Byrne was destined for a life in law enforcement, having a father who was an officer with the New York City Police Department. Eddie-as he was known by family and friends-was an outgoing and friendly person who had a strong calling to public service and wanted to make his city, New York City, a safer place. In 1987, Officer Byrne joined the New York City Police Department's finest, assigned to the 103rd Precinct. Well-liked by his brothers and sisters in blue, Eddie was passionate about his job and loved the opportunities it offered him to interact with the people he was sworn to protect.

In the early morning hours of February 26, 1988, Officer Byrne was on detail protecting a witness who had agreed to testify in court against local drug dealers. Officer Byrne was in his patrol car outside the witness' home around 3:30 a.m. when two armed gunmen crept up to his car from both sides. One of the men knocked on the passenger-side window to distract Officer Byrne just as a second perpetrator ran up to the driver's side window and opened fire. Officer Byrne was shot five times in the head. Both gunmen, along with two other perpetrators who served as lookouts, fled the scene. Officer Byrne died of his wounds. He was only 22 years old.

The four assailants were captured and were eventually sentenced to 25 years to life. They were members of a gang who had been instructed by a jailed drug kingpin to kill a police officer. NYPD lost one of its finest that day, and Eddie's family lost a loved and cherished son and brother. Eddie's three brothers continued the family tradition of law enforcement by dedicating their careers to the field.

In honor of Police Officer Byrne, a major U.S. Department of Justice initiative was titled the Edward Byrne Memorial Justice Assistance Grant Program. The Department's Bureau of Justice Assistance (BJA) administers this program, which allows states and local governments to support a broad range of activities to prevent and control crime and to improve the justice system. It has been nearly 20 years since state and local law enforcement first began applying for the program named after this young fallen hero. BJA is honored to administer "Byrne" funding to communities nationwide in memory of Officer Byrne.

2021 Program Priorities

****While no match will be required, please note that this will greatly diminish the number of grant awards that can be awarded in the 2021 Funding Cycle. This will make this year's grant solicitation process more competitive than in previous years. Also note that a**

grantee may apply for the maximum federal amount available in the cap set by the priority but may or may not be awarded the full amount based on committee review and score, discussion, past performance, and availability of federal funds.

- ❖ NO MATCH WILL BE REQUIRED ON ANY PRIORITY.
- ❖ PLEASE TAKE NOTE OF CEILING CAPS FOR EACH PRIORITY. PROPOSALS THAT EXCEED THESE THRESHOLDS WILL NOT BE CONSIDERED FOR FUNDING.
- ❖ NO UNMANNED ARIEL VEHICLES (UAV'S) OR DRONES CAN BE REQUESTED.
- ❖ VEHICLE PURCHASES FOR ANY TYPE OF VEHICLE (ALL-TERRAIN VEHICLE, FOUR WHEELER, GATOR, AND/OR TRAILERS) THAT REQUIRES NORTH CAROLINA DMV REGISTRATION ARE NOT ALLOWED.
- ❖ MAINTENANCE OR RENTAL/LEASES ARE NOT ALLOWED.

1. LOCAL LAW ENFORCEMENT BLOCK GRANTS

Federal Funding Maximum - \$ 24,500 – 1 YEAR ONLY

Grant funding under this priority is ONLY available to local law enforcement agencies.

Applications may include ONLY EQUIPMENT PURCHASE with a minimum of \$10,000 and a cap of \$24,500 in federal funds per agency. No OVERTIME or PERSONNEL REQUESTS WILL BE ALLOWED. General Equipment and Training requests will support law enforcement functions and activities.

Agencies that submit multiple applications under this priority will be automatically disqualified. Among the items may be purchased with these funds: Radios, non-lethal weapons, weapon replacements, audio and video recording equipment for use with interrogations and interviews, narcan kits (naloxone), cameras for jail, courthouse security apparatus, hardware and software resources for lineups to comply with the statutory lineup identification procedures, and other similar functions relating specific law enforcement activities. **Agencies that are requesting body worn cameras must have a departmental policy on the use of body-worn cameras and a data storage solution plan which must be uploaded into the GEMS system and submitted by the application deadline.**

NOTE: Agencies applying for funds to purchase recording equipment for custodial interrogations must also meet Special Conditions which will stipulate that the agency:

- Will use these funds to purchase recording equipment and related technology for recording custodial interrogation of individuals by law enforcement.
- Has a written policy for recording interrogations of a category(s) of serious crimes determined by the agency. It must conform to best practices including requirements that the entire interrogation is electronically recorded; the recording equipment is positioned to record both suspect and interrogating officer(s); and a system for cataloging and retaining copies of recordings for use in related judicial proceedings.

Prohibited items include phone lines, unmanned aerial vehicles, any vehicle purchases that require DMV registration, and any other long-term contractual services.

2. STATEWIDE TRAINING AND STATEWIDE ACCREDITATION PRIORITY

Federal Funding Maximum - \$ 200,000 – 1 YEAR ONLY

The Criminal Justice Improvement Committee realizes the importance of training for all law enforcement officials. North Carolina is a large state that has well over 400 town and city police departments and 100 sheriff's offices. It is imperative that local law enforcement, regardless of size and wealth, be trained in sound criminal justice policies, procedures, and live training scenarios. National accreditation standards are one practical way to help achieve this. These standards will help raise the level of professionalism among law enforcement agencies. It will also ensure that the public at large is aware that their officers and deputies have received baseline training on how law enforcement officials should conduct themselves. As such, the Criminal Justice Improvement Committee is seeking applications for statewide training for law enforcement officials, as well as, applications for establishing accreditation standards and ensuring those standards are met by every law enforcement agency in our state.

Contingency

All awards are contingent upon the N.C. Governor's Crime Commission receiving the specified grant funds from the U.S. Department of Justice at the expected level.

Number of Applications per Agency

Agencies may submit multiple applications for JAG funding. Each application MUST be in a different program priority. An agency must note in their application if they are requesting funding in a program priority area in which they already have an open grant. Failure to do so may disqualify the application.

Notification of Application & Review Process

All application submissions, whether continuation or new, will be competitively reviewed and scored by members of the Governor's Crime Commission. **Late applications will not be accepted.**

- Project Description
- Description of Goals, Objectives, Performance Measures

- Spending Plan
- Management Capabilities
- Project Evaluation
- Sustainability
- Budget

The review team members will also assess each jurisdiction's need for funding based on the following criteria:

- Documentation of need

- Geographic size and location
- Ability to recognize and address the needs of underserved populations
- Demonstrated capacity and effectiveness of existing programs

FUNDING SPECIFICATIONS

A. Funding Cycle

B. Budget

Budgets must be clear and specific. Budgets must reflect 12 months of spending and, where applicable, be adjusted to reflect start date, state furlough days, and holidays. ***The Governor's Crime Commission reserves the right to reduce budgets and make budget adjustments at its discretion.***

The prioritization of line items is required for all applications having multiple line items. Applicant requirements will be taken into consideration should budgets need to be reduced. A budget detail narrative/budget justification attachment should be attached containing brief statements (At least 1 - 2 sentences per line item) that explain each line item and their relevance to the project goals and objectives. **Do not state "See Narrative, Goals, or Objectives".**

C. Unallowable Costs

The following services, activities, and costs, although not exhaustive, cannot be supported with JAG grant funds at the sub-recipient level:

- **Lobbying**
- **Audit Costs**
- **Property Insurance**
- **Personal Telephone/Fax/Cell phone**

D. Consultant Rates

The limit for consultant rates is \$650 per day. Fees in excess of the set limits will not be considered.

REPORTING REQUIREMENTS

The Governor's Crime Commission will distribute awarded funds to sub-recipients on a reimbursement of expenditures basis in conjunction with the timely submission of corresponding Fiscal and Programmatic Reports. All subrecipients of JAG funds must submit a

quarterly Performance Management Tool (PMT) through the BJA PMT website. Each subrecipient must complete the report on the BJA PMT website and then each of those quarterly reports will need to be uploaded to the PMT Report Tab in GEMS for each project. These reports should be submitted quarterly with a due date of 10 days following the end of the quarter. Submission of quarterly PMT Reports is a federal condition for receiving funds from this award. Failure to submit quarterly reports automatically bars further reimbursement (via the GEMS computer system) until the overdue report is submitted.

MATCH

There is a no match required.

SUPPLANTING, TRANSPARENCY AND ACCOUNTABILITY

Federal funds must be used to supplement existing state and local funds for program activities and must not replace those funds that have been appropriated for the same purpose. See the OJP Financial Guide (Part II, Chapter 3). There are strict federal laws against the use of federal funds to supplant current funding of an existing program. Jurisdictions must provide assurances and certifications as to non-supplanting and the existence of proper administrative/financial procedures.

A strong emphasis is being placed on accountability and transparency. Award recipients must be prepared to track, report on, and document specific outcomes, benefits, and expenditures attributable to the use of grant funds. Misuse of grant funds may result in a range of penalties to include suspension of current and future funds and civil/criminal penalties.

DISTRIBUTION OF FUNDS AND REIMBURSEMENT

Agencies may elect to receive reimbursement of funds for this grant program no more frequently than a monthly basis. In order to receive monthly reimbursements, financial requests (and documentation) would need to be submitted on a monthly basis.
