### CVS Planning Team Updates

Sandy Dixon, GCC Lead Crime Victim Services Planner, reminded the Committee that CVS Funding FFY 2022 VAWA continues to be stable and VOCA has continued to decline with a high of \$103M in 2018 and only \$32M in FFY2021.

Sandy Dixon reviewed the two new priorities for application cycle November 1, 2021 – January 31, 2022.

The VOCA Fix passed Congress this summer. Changes it brought about are:

1. Deferred prosecution cases fines and penalties will be deposited into the Crime Victims Funds
2. GCC is now allowed to request a one-year extension on FFY awards.
3. Match waivers must be provided for the duration of a national emergency plus one year.
4. FFY2021 state VOCA Victim Assistance allocations were reduced due to new calculations for VOCA Victim Compensation allocations which resulted in \$1.6M less than GCC was originally awarded. However, 2019 reversions will cover GCC's intent for 2021 subawards.

### Presentation: The HAVI (The Health Alliance for Violence Intervention)

An introduction to hospital-based violence intervention and prevention was provided by HAVI's Mark Ohrtman, Director of Planning and Design, and Sherah Liverpool-Archer, Senior Manager of Training and Technical Assistance. HAVI helps to provide technical assistance for hospitals and community organizations to establish hospital-based intervention and prevention programs. While prevention is still unallowable with VOCA VA funds, intervention efforts are allowed for those presenting at the hospital who have experience victimization.
