### Updates – Funding GCC CVS FY 2021:

Sandy Dixon, GCC Lead Crime Victim Services Planner, provided an overview of the GCC CVS Priorities 2021 VAWA and VOCA Applications.

### Grant Funding Priorities Cycle 2022 Application Review by Committee:

Chair Andrews led the discussion regarding funding recommendations for FFY 2022 GCC CVS Priorities for VAWA & VOCA Applications.

VAWA is recommended as follows:

- Courts will remain non-competitive as this allocation can only go to the courts.
- Victim Services allocation will be increased to 35% by taking 5% from Discretionary
- Law Enforcement and Prosecutors will change to allow for less than 2 FTEs capped at \$100,000 and 2 or more FTEs capped at \$150,000. NOTE: An addition to these priorities were made after the committee meeting and voted on at the full GCC meeting on September 2, 2021 to allow for Training for Frontline Staff capped at \$55,000 for regional trainings and \$200,000 for statewide training for sworn officers and prosecutors.
- Discretionary is decreased by 5% from 15% to 10% in order to increase Victim Services from 30% to 35%. Discretionary will retain Batterer's Intervention Programs capped at \$55,000 for programs serving an individual county and \$100,000 for programs serving multiple counties. Prevention Programs are retained and capped at \$55,000.
- Overall, agencies may only submit one application under each GCC Funding Priority Service Area for the STOP program. NOTE: A prosecutorial district is a single subrecipient. Additional applications will not be considered for funding.
- As funding is limited, agencies requesting funding for continuation projects in the Victim Services and Discretionary priorities are limited to level funding for a continuation project's application so that the federal share of the project cannot increase from the previous year.

Motion: Susan Osborne made the motion and Hoyt Tessener seconded the motion – To accept the 2022 VAWA projected funding allocation as they were just reviewed and move to a vote.

VOCA is recommended as follows:

- Non-competitive categories of domestic violence/sexual assault and child advocacy centers are retained.

- VOCA priorities are divided into two categories: Basic (noncompetitive and based on a formula) and Competitive
  - Basic Services Applications:
    - The following projects are federally mandated priorities and are for designated agencies only, based on a GCC formula, and agencies will be contacted by GCC with their funding amounts by 11/1/2021:
      - Sexual assault/domestic violence, and
      - Child advocacy center for accredited / provisionally accredited CACs
  - Competitive Applications:
    - All competitive priorities do not have established caps; however, they are limited to 0% growth for any project that is submitting a continuation application.
