

	Question	Response
1	The RFP says host county letter of support for intensive intervention services is needed. We normally collect support letters for all counties we cover. Is our host county the only support letter that is required?	Due to an unprecedented time during the nationwide pandemic of COVID-19 the Juvenile Community Programs section of the Department of Public Safety has adjusted typical requirements for RFPs. Please reference the section titled Proposal Requirements and Submission Process, Letter e, in the RFP posting. In summary, a letter of support from the host county must be uploaded with the original program agreement on March 5 <sup>th</sup> by 11:59 pm, if possible.
