**Chart of Accounts for Expenditures**

This chart of accounts was developed by the former Department of Human Resources (Department of Health and Human Services) and the Local Government Commission. This chart of accounts was fashioned when Community-Based Alternative Grant Programs was housed with the Division of Youth Services with the former Department of Human Resources. It was structured following a request for a uniform chart of accounts made by the Association of County Finance Officers. There has not been a revised version of this chart of accounts. This serves only as a re-copy and reformatting of the original version so that it may be transmitted electronically.
