

DEPARTMENT OF MILITARY AND VETERANS AFFAIRS

Military Affairs Division

- It shall be the duty of the Department of Military and Veterans Affairs to do all of the following:
 - (1) Provide active outreach to the United States Department of Defense and the United States Department of Homeland Security and their associated establishments in North Carolina in order to support the military installations and activities in the State, to enhance North Carolina's current military-friendly environment and foster and promote business, technology, transportation, education, economic development, and other efforts in support of the mission, execution, and transformation of the United States government military and national defense activities located in the State.
 - (2) Promote the industrial and economic development of localities included in or adjacent to United States government military and national defense activities and those of the State.
 - (3) Provide technical assistance and coordination between the State, its political subdivisions, and the United States military and national defense activities within the State of North Carolina.
 - (4) Award grants to local governments, State and federal agencies, and private entities at the direction of the Secretary. The number of grants awarded and the level of funding of each grant for each fiscal year shall be contingent upon and determined by funds appropriated for that purpose by the General Assembly.

Transition Services Division

DMVA Transition Services Division coordinates with federal, state, and local agencies to deliver services and programs designed to assist Servicemembers and their families transition into healthy and productive lives.

- The Veterans Cemetery Administration (VCA)
 - National Cemeteries

The image features a blue gradient background with white circuit-like lines in the corners. These lines consist of straight paths that branch out and terminate in small circles, resembling a network or data flow diagram. The lines are positioned in the top-left, top-right, bottom-left, and bottom-right corners, framing the central text.
