** Lapsed Salary Generated is defined as un-used funds available in all of the 531XXX accounts. This definition comports with OSBM's definition of lapsed salary for use in budget revisions. This represents a change from the methodology used to calculate this figure in prior year agency reports. This report excludes receipt-specific 531XXX accounts, since receipts are generally not eligible to be realigned to meet operating shortfalls across funds.

*** Actual Lapsed Salary Transferred is considered to be any 531XXX budget moved within personal services or out of the personal services account category. However, the RK341 pulled from IBIS may overstate lapsed salary revisions/usage if other, non-salary accounts, were on the same budget revision.

Note: account categories 536XXX (Aid and Public Assistance) and 537XX (Reserves) are not included in the table above because of the prescribed nature of those appropriations.
